## YOU ARE INVITED

Remember curling up on a grandparent's lap and reading stories? Remember having their rapt attention? Remember the quiet conversations that were whispered there? Spirituality Center is a favorite among Youth Quest participants. It is a time to take our shoes off and curl up in God's lap for some quiet time for quiet conversations and activity that is attentive to being in God's presence. Prayer time has so many different approaches! We invite you to come in and share in Spirituality Center during Youth Quest time. Be renewed yourself!
